GROSVY GREGORY COLSON
GRICE w/T Refresher Training 1959

X

See para 3.

1. GRICE was advised that due to vacation schedules already established at his place of employment, plus his intention to be active in the fall elections in Austria (he is chairman of the Socialist party organization in his neighborhood and on the district headquarters staff), he can be available to us for 1959 w/T refresher training at Munich only for the five-day period 25 July through 1 August.

2. In view of GRICE's demonstrated proficiency during his Munich training last August, we are not sure whether you desire to schedule him again in 1959. On the other hand you may want to give him a day of refresher, plus four days of field problems, as was recommended in his last instructor report.

3. Please advise us of your decision as soon as possible so that GRICE can plan his own vacation time well in advance.
